Advanced Retriever Workshops

Two 3-Day Workshops

Hosted by Lise Pratt and Marcy Burke

Goose Ridge
7139 Wildon Grove Road
Gordonsville, VA 22942

Workshop #1 – July 2-4, 2020

Workshop #2 – July 5-7, 2020

Learn from two of the best seminar presenters in the hunt test game!

Gamekeepers Retrievers' Mitch White, a professional retriever trainer and AKC hunt test judge, and Carol Cassity, a highly successful amateur trainer and HRC hunt test judge, are teaming up to present their first-ever joint seminar. In each workshop Carol and Mitch will share their observations and suggestions about how to improve your retriever. By first assessing your teamwork with a setup, they will then use mostly drills and possibly setups to help you and your dog become a better team in the field.

About Mitch White - Mitch has been training retrievers for field work since 1988. A true student of the game, Mitch has developed a program that goes outside the box to enable all breeds of retrievers to succeed at the highest level. Knowing that every dog is an individual, and that fairness must be at the forefront of all training, Mitch creates a skillset in his dogs that allows them to make decisions; correcting poor decisions and praising good decisions. Mitch has rehabilitated many dogs that have been washed out by other trainers, teaching them to confidently go further in training. Since 2004, Mitch's clients and students have earned countless field titles, at all levels, including several Master National Qualifiers and Finalists as well as dogs with field trial placements. The author of Basics and Transition Manuals, he is expecting his Advanced and Drills Manuals to be released in 2020. Mitch is also a highly sought-after AKC Master judge.

About Carol Cassity – Carol is the author of *Building A Retriever, Drills & More*. Her book is a compilation of drills and best practices for the hunting retriever, with particular attention being paid to selecting drills that are within the means of most amateur trainers. Carol has experience with a variety of hunting dog breeds and is familiar with the unique traits of each breed. She successfully competes at the highest levels in both HRC and AKC events and is an HRC judge at the Finished level, having judged the HRC Grand multiple times. Titles her dogs have achieved include HRC GRHRCH, UH and AKC MH. Many of her dogs, both Chesapeake Bay Retrievers and Golden Retrievers are AKC Master Hunters and members of the HRC 500-Point Club. Her Chessie "Peytah" became a member of the 1,000-Point Club in 2019! Also a highly sought-after seminar presenter among retriever enthusiasts, Carol has helped multiple breeds and handlers in the eighteen plus years she has been doing seminars. Some of the breeds she has worked with include: Labs, Chessies, Goldens, Poodles, Boykins, Tollers, Drahthaars, Flat-Coats, Curly-Coats and Setters.
